

ORDER OF THE TULIP

The World Tulip Summit Society created the Order of the Tulip recognition program in celebration at the 5th World Tulip Summit held in Istanbul in 2013.

Goal

To recognize individuals from around the world who have made an outstanding contribution to the promotion and/or celebration of the tulip by making them Members of this unique World Tulip Summit Society Order of the Tulip.

Granting this honour is a gracious, tangible, and lasting way to pay tribute to those whose contributions have been exceptional in celebrating and promoting the tulip.

Nominations

Nominations of deserving individuals as candidates can be made by member countries via their official Society Director.

No more than two recipients per country at each induction, except for the Summit host country.

Nominations will be reviewed by a Selection Committee, comprised of 3 persons selected by the Society. Recommendations will be made to Society members for final approval.

Investiture

Induction of new members will coincide with the World Tulip Summits

Those inducted to the World Order of the Tulip will receive a certificate signed by the Mayor of the host city and the Chair of the World Tulip Summit Society. The recipient will also receive a uniquely designed lapel pin.
